To whom it may concern:

I am writing today to introduce *Family LifeWorks, Inc.* to you. Family LifeWorks is a non-profit organization that offers education and formation programs to help families in building a strong family life, essential to surviving in today's counter-family culture.

Their mission is to help family members in their personal growth, at the same time that they nourish family traditions and values, in order to live a more fulfilling life

I've known Family LifeWorks and their programs for several years, and am very happy to recommend them to you, as I believe that you may find several opportunities of collaboration.

I appreciate your attention to this letter. Do not hesitate to contact me if you have any other questions.

May Jesus, through the intercession of Mary, grant you peace and joy,

+ José H. Gomez
