To Whom It May Concern:

I am writing in support of the Family Lifeworks which was presented to the students and parents of the Little Flower Catholic School Community this past school year.

The program was presented four different times to the parents and monthly to the 7th and 8th graders. The 6th grade students were added to the program the second half of the school year.

Our hope is that the Family Lifeworks will make an impact on the parents and students of our community.

Thank you for your presentation.
