Family Lifeworks
San Antonio, Texas

Dear Ms. Hernandez,

I just wanted to write you a short note saying how much we at St. Leo the Great School have appreciated the Family Lifeworks Program. As you know, it has been three years since we began working with you and Graciela. In the beginning, we were unsure of how our parents and students would react to the program, and of course, we had to make it very comfortable for them. However, we have seen an increase in awareness of the need for such a program, and our families for the most part have responded well. In addition, we have heard our students make positive statements which we know have come directly from the student component of the program.

It is difficult for parents and students that live in the inner city to make good moral decisions when they are confronted daily with gangs, poverty, teen pregnancy and drugs. Your program is a blessing to us and our students and families. It is our sincere hope, God willing, to continue with Family Lifeworks in the coming years.

Sincerely in Christ,

Carol Johnson
Principal
